

GARTH STEIN

How Evan Broke His Head and Other Secrets
Winner of a 2006 PNBA Award!

Fathers never forget seeing their child for the first time. But Evan is greeting his son fourteen years late.

In this quirky, northwest urban novel, Stein has written a deft portrait of growing up when one is already grown.

"A beautifully un-shiny novel of passion, forgiveness and the life force that is fatherhood."

- PNBA Awards Committee

Now in paperback!

"An engrossing family drama..."
Publishers Weekly

"A compelling tale...."
Seattle Post-Intelligencer
