

## Enzo's Song (The Moment when You fall)

*Words & Music: Martin Odstrcil, June 2008*

I'd like to sit at Your Table, eat with Knife and Fork  
And I'd like to be able – to sit and to talk.

I'd like to go dancing, I'd like to wear a Suit  
There would be more than one thing – if I only could,  
if I only could.

I'd like to read the Paper, I'd like to unlock the Door  
I'd like to make Breakfast, cook Toast and Eggs and more.

And I'd like to hold You, the Moment when You fall  
I really like to hold You – the Moment when You fall,  
the Moment when You fall ...

And I'd like to caress You, when everything goes wrong  
And I'd like to tell you everything,  
I'd like to sing you a Song !

And I'd like to hold You, the Moment when You fall  
I really like to hold You – the Moment when You fall,  
the Moment when You fall ...
